# PARENT ZONE

Our new exciting software ParentZone is now up and running! ParentZone is the award winning childcare app for parents. Parents can access information about their child's day at a time that suits them best. Parents can also communicate with their child's key worker via the app. Please check your emails for further instructions. If you have any queries please speak to a member of staff.

This term is all about children making choices, helping each other and building relationships.

Please remember to bring a water bottle for your child every day. Alternatively, you can keep one at nursery and it will be washed regularly for them.

Make sure you 'like' our Facebook page for regular updates and fun!

Half Term - Close Friday 12th February

## HAPPY BIRTHDAY!

We would like to wish a very Happy Birthday to all of the children with birthdays this term!

## Toilet Training
