

We are so happy to be able to welcome back all our children and to be welcoming some new little friends: Jack, Tommy, and Teddy. We are truly looking forward to spending the next term with you.

This term we are also lucky to have our Level 2 student Katie with us for her placement, we know she will learn so much from your fantastic children.

## BIG BUILD

This terms big build is Volcanoes. There was already some interest in volcanoes mostly due to the fantastic song "The floor is Lava". Then imagine our surprise when a fissure opened in Iceland and a new volcano was born "Fagradalsfjall" we watched the live feed every morning to see how the new volcano was progressing. We are currently in the process of building our volcano play area with caves and islands to keep us safe from the Lava. Keep an eye on our Facebook page for more updates!
